Subject - Payment of elementary Education Contribution by Melkote Municipality

--- ---

'A Adverting to G O No L 4765-7/ML 50-38-28 dated 15/17-11-39 permitting the Melkote Minor Municipality to pay the arrears of elementary Education Contribution in four annual instalments, I have the honour to state, that owing to paucity of funds, the Municipal Council have not been able to pay the heavy instalments and as a result of this non-payment the Comptroller to Government has issued instructions to the District Treasury Officer, Mandya to adjust these arrears out of the amount at the credit of the Municipality In accordance with the instructions issued by the District Treasury Officer, the Treasury Officer, Frenchrocks is not honouring any cheques issued by the President, Melkote This has resulted in great hardship to the Municipal employees as they have not been paid their salary for the last two months The amount at the credit of the Municipality was Rs 683-1-6 only as on 1-6-1942

P T O

2 In this connection, I wish to state that the financial position of the Municipality is far from satisfactory as the normal income is hardly sufficient to meet the expenditure on essential services There being no scope even to improve the finances of this Municipality, the Municipal Council have been repeatedly urging that this claim may be waived When the Dewan and the Minister for Local Self Government paid visits to Melkote the Municipal Council prayed in their address that the payment of the heavy contribution due by the Municipality may kindly be waived The Municipal Council ~~xxxx~~ will have to cut short their normal expenditure on items including Establishment, Water supply and Electric Charges I enclose ~~a copy of~~ the President's report together with the resolution of the Municipal Council for favour of kind perusal In my opinion the Municipal Council is quite incapable of paying the arrears of the contribution which has amounted to Rs 2,893-0-4

3 When I visited Melkote, during last month, the Municipal Councillors in a body represented that owing to the instructions issued by the Comptroller, the President could not issue any cheques on the Treasury at Frenchrocks The Municipal Employees have not been paid their Salaries ever since those instructions were issued by the Comptroller

3 In the fore-going circumstances I request that Government may kindly be moved to waive this heavy claim as a very special Case and to issue instructions to the Comptroller in the mean-while to withdraw his orders issued to the Treasury Officer to adjust the amount available at the Credit of the Municipality towards the arrears of contribution

Review on the Budget of Melkote Minor Municipality
for the year 1942-43.

Recorded with the following observations

The opening balance has not been calculated properly The opening balance would be Rs 293/- as noted below -

Opening Balance on 1-7-41	289-2-0
Revised Receipts for 41-42	8,475-0-0
Total	Rs 8,764-2-0
Revised expenditure for 41-42	Rs 8,471-0-0
Closing Balance	293-2-0

Receipts - The Municipal Council anticipate an income of Rs 8,190/- as against the sanctioned and revised estimates of Rs 7,435/- and 8,475/- respectively for 41-42

Under "Al Octroi" an income of Rs 1,000/- is anticipated during 42-43 as against the revised estimate of Rs 750/- It is explained that the income under this head is raising year by year The actual income realised for 40-41 was - Rs 606/- and a sum of Rs 750/- is realised for ~~40-41~~ 41-42 There is an increase in the income In the circumstances explained, the anticipated income may be retained

A sum of Ps 3,000/- is anticipated under "Taxes on buildings and Lands" for 42-43 as against the revised income of Rs 2,510/- for 41-42 The sanctioned amount has not been realised The arrears under this head should be recovered as far as possible The anticipated income is retained

Under 'Vehicle Tax' a sum of Rs 10/- is anticipated for 42-43 From the D C B statement, it is seen that the demand for the year 42-43 is shown as Rs 30/- and the arrears amount

P T O

amount to Rs 9/- As against this only a small sum of Rs 10/- is anticipated This is too low As the demand is too low, the entire amount should be collected

Under 'D grants from Government' a sum of Rs 500/- is anticipated Pending distribution of Town Improvement grant, the income is deleted

The other items of receipts are retained

Expenditure - The Municipal Council has provided a sum of Rs 7,590/- as against an expenditure of Rs 8,471/- under revised estimate for 41-42

Under 'D Works to be carried out by Civil Department' a sum of Rs 500/- is provided for slum clearance The expenditure is provided perhaps anticipating a grant from Government As this item is deleted under Receipts, the provision made is deleted

The other items of expenditure do not call for any remarks Hence they are retained

With the above modification the financial position will be as follows -

Opening Balance	293-2-0	Total Receipts	7,700-0-0
Receipts for 42-43	7700-0-0	Extraordinary items	50-0-0
Total	7993-2-0		
Expenditure for 42-43	7090-0-0	Normal Receipts	7,650-0-0
		Total Expendr	7,090-0-0
Closing Balance	903-2-0	Extraordinary items	500-0-0
		Normal Expendr	6,590-0-0

The Normal expenditure is within normal income but the statutory minimum is not maintained The financial

- The financial position of the Municipality is not satisfactory For want of funds the Municipal Council has not been able to provide funds towards improvement works Besides, the Municipality has to pay arrears of Education Contribution of nearly Rs 3,000/- No attempt has been made to pay this amount The Municipal Council should make serious attempts to collect the heavy arrears and find out ways and means to augment their resources

With the above observations, the budget for 42-43 is sanctioned
